## STEP 8

**Made a list of all persons we had harmed and became willing to make amends to them all**

*"Since defective relations with other human beings have nearly always been the immediate cause of our woes, including our alcoholism, no field of investigation could yield more satisfying and valuable results than this one...*

*We can go far beyond those things which were superficially wrong with us, to see those flaws which were basic, flaws which sometimes were responsible for the whole pattern of our lives."*

*Tradition 8—“Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.”*

#### TRADITION 8 —LONG FORM

“We define professionalism as the occupation of counseling alcoholics for fees or hire. But we may employ alcoholics where they are going to perform those services for which we might otherwise have to engage nonalcoholics. Such special services may be well recompensed. But our usual A.A. Twelfth Step work is never to be paid for.”
