### ORANGE COUNTY NY INTERGROUP'S NEWSLETTER

## Orange AAid

**STEP 8:** *"Made a list of all persons we had harmed, and became willing to make amends to them all."*

"Steps Eight and Nine are concerned with personal relations...Learning how to live in the greatest peace, partnership, and brotherhood with all men and women, of whatever description, is a moving and fascinating adventure. Every A.A. has found that he can make little headway in this new adventure of living until he first backtracks and really makes an accurate and unsparing survey of the human wreckage he has left in his wake."

TIME, sometimes it's an hour or a moment at a time, along with asking the GOD of our understanding to keep us sober.' As one day turns into 1 week, the weeks turn into a month, the months turn into a year, the years turn into decades...

Approaching 12 years of sobriety I still do it ONE DAY AT A TIME, as I did one STEP at a time, just as I write this article, one word at a time, as I do my job, one patient at a time, I get through the 24 hours ahead, knowing no matter what, I do not have to drink."

*"Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers."*

"Our Twelfth Step is never to be paid for... 'Freely ye have received, freely give.'" But we may employ alcoholics who make 12th step work possible.

## A Member Reflects at Anniversary Time...

"It was 30 days that I did not have a drink, standing outside of a meeting with my sponsor, and a woman struggling with her sobriety said, 'I can get 5 days in a row but when it comes to the weekends I find myself drunk. How do you do it? How do you get 30 days straight without drinking?' I was baffled myself as I shrugged my shoulders and had no clue. My sponsor chimed in and said, 'WE don't drink ONE DAY AT A
