STEP 7

**“Humbly asked Him to remove our
shortcomings”**

“It is no mistake that we must begin to do and understand these Steps before making amends...The longer our time in recovery, the easier it is to fool ourselves and others that we’ve done these Steps. We need to take a very close look at all the implications of these two ‘quiet’ Steps and become responsible for working them during our entire recovery journey...working toward ‘emotional sobriety,’ recovery with balance...Then jump into action and surrender, making *positive progress* through a continuing series of spiritual awakenings.”

Tradition 7— “Every A.A. group ought to be fully self-supporting, declining outside contributions.

TRADITION 7—LONG FORM

“Our A.A. experience has taught us that:

...The A.A. groups themselves ought to be fully supported by the voluntary contributions of their own members...Experience has often warned us that nothing can so surely destroy our spiritual heritage as futile disputes over property, money, and authority.”
