**STEP 3:** *“Made a decision to turn our will and our lives  
over the care of God as we understood Him.”*

“It is when we try to make our will conform with God’s that we begin to use it rightly. To all of us, this was a most wonderful revelation. *Our whole trouble had been the misuse of willpower. We had tried to bombard our problems with it instead of attempting to bring it into agreement with God’s intention for us.* To make this increasingly possible is the purpose of A.A.’s Twelve Steps, and Step Three opens the door.”

## TRADITION 3

***“The only requirement for A.A. membership is a desire  
to stop drinking.”***

“Our membership ought to include all who suffer from alcoholism. Hence we may refuse none who wish to recover. Nor ought A.A. membership ever depend upon money or conformity. Any two or three alcoholics gathered together for sobriety may call themselves an A.A. group, provided that, as a group, they have no other affiliation.”
