ORANGE COUNTY NY INTERGROUP'S NEWSLETTER

Orange AAid

STEP 11: *"Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out."*

"Those of us who have come to make regular use of prayer would no more do without it than we would refuse air, food, or sunshine. And for the same reason...When we turn away from meditation and prayer, we likewise deprive our minds, our emotions, and our intuitions of vitally needed support...Perhaps one of the greatest rewards of meditation is the sense of *belonging* that comes to us. We no longer live in a completely hostile world. The moment we...begin to see truth, justice, and love as the real and eternal things in life, we are no longer deeply disturbed by all the seeming evidence to the contrary that surrounds us in purely human affairs.

In this season of “Thanks” and “Giving” we are reminded that taking time out to count our blessings—to look for all the good in our lives instead of the bad—can make a huge difference in our recoveries. A gratitude

practice can not only change the way we think and feel on a daily basis, it can also create action—the Giving—that makes more blessings for others.

It is often said that “a grateful alcoholic will not drink.” As we head into the holiday season we can strengthen ourselves against relapse and other challenges by taking time each day to be grateful and give thanks.

**How about listing 3 things a day for 30 days?
Or an anonymous act of kindness?**

However or whenever, taking time for gratitude is a quick and easy tool many use to grow a sober and happy attitude.

TRADITION 11

“Our public relations policy is based on attraction rather than promotion; we need always maintain anonymity at the level of press, radio, and films.”

“Our relations with the general public should be characterized by personal anonymity. We think A.A. ought to avoid sensational advertising. Our names and pictures as A.A. members ought not be broadcast, filmed, or publicly printed...There is never need to praise ourselves. We feel it better to let our friends recommend us.”

- Tradition 11, Long Form: p. 192
