ORANGE COUNTY NY INTERGROUP'S NEWSLETTER

Orange AAid

STEP 10: *"Continued to take personal inventory and when we were wrong promptly admitted it."*

"If we would live serenely today and tomorrow, we certainly need to eliminate these [emotional] hangovers. This doesn't mean we need to wander morbidly around in the past. It requires an admission and correction of errors *now*. Our inventory enables us to settle with the past. Once this is done, we are really able to leave it behind us...Once this healthy practice has become grooved, it will be so interesting and profitable that the time it takes won't be missed."

TRADITION 10

"Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy."

"No A.A. group or member should ever, in such a way as to implicate A.A., express any opinion on outside controversial issues—particularly those of politics, alcohol reform, or sectarian religion. The Alcoholics Anonymous groups oppose no one. Concerning such matters they can express no views whatever."

- Tradition 10, Long Form: p. 192
