JUNE 2019

Long form of the 6th Tradition

Problems of money, property, and authority may easily divert us from our primary spiritual aim. We think, therefore, that any considerable property incorporated and managed, thus dividing the material from the spiritual. An A.A. group, as such should never go into business. Secondary aids to A.A. such as clubs or hospitals which require much property or administration, ought to be incorporated and so set apart that, if necessary, they can be freely discarded by the groups. Hence such facilities ought not use the A.A. name. their management should be the sole responsibility of those who financially support them. For clubs, A.A. managers are usually preferred. But hospital as well as other places of recuperation, ought to be well outside of A.A.—and medically supervised. While an A.A. group may cooperate with anyone, such cooperation ought never go so far as affiliation or endorsement, actual or implied. An A.A. group can bind itself to no one.
