STEP 5

“Admitted to God, to ourselves, and to another human being the exact nature of our wrongs”

“All of AA’s Twelve Steps ask us to go contrary to our natural desires...they all deflate our egos. When it comes to ego deflation, few Steps are harder to take than Five. But scarcely any Step is more necessary to longtime sobriety and peace of mind than this one...This vital step was also the means by which we began to get the feeling that we could be forgiven, no matter what we had thought or done.”
