STEP 4: *“Made a searching and fearless moral inventory
of ourselves.”*

“Resentment is the “number one” offender. It destroys more alcoholics than anything else. From it stem all forms of spiritual disease...To conclude that others were wrong was as far as most of us ever got. The usual outcome was that people continued to wrong us and we stayed sore...Though a situation had not been entirely our fault...The inventory was ours, not the other man's... Putting out of our minds the wrongs others had done, we resolutely looked for our own mistakes. *Where had we been selfish, dishonest, self-seeking and frightened?*”

~ Alcoholic Anonymous, p. 64-67

*no matter how long the winter,
spring is sure to follow*

“Have we been enjoying life lately?”

Or have we been so concerned about getting better, kept our nose so earnestly near the grindstone of self-improvement, that we have failed to enjoy a sunset? A new moon? A good meal? A needed holiday from care? A good joke? Some affection? Since the body seeks to normalize itself, maybe yours will welcome opportunities for needed rest. Enjoy deliciously drowsy naps, or good, long nights of peaceful slumber. Or perhaps you have leftover energy you can use in pure fun and enjoyment. As much as other aspects of life, these seem necessary for fulfilling our entire human potential.”

- *Living Sober*, p. 41

TRADITION 4

“Each group should be autonomous except in matters affecting other groups or A.A. as a whole.”

“With respect to its own affairs, each A.A. group should be responsible to no other authority than its own conscience. On such issues our common welfare is paramount.”

At the request of Orange County Intergroup Chair, a message from AA members in Ukraine:

“Dear Brothers and Sisters in our global AA family: We, the anonymous alcoholics of Ukraine are going through difficult times today when our country was attacked. We are thankful that God brought us to AA. We AA members are sober. We are grateful we are able to go through these hard times sober. We need your prayers so that we can go through these hard times calm and sober, to be useful to our country in this difficult time. Pray for us that under all circumstances we may uphold AA’s spiritual principles and live through this ordeal in unity. We speak the language of the heart.”
